The Greenfield Valley Heritage Park is a 70 acre country park with woodlands, reservoirs, ancient monuments and industrial history with a Museum and Farm as the focal point.

The site is owned and staffed by Flintshire County Council and managed by Greenfield Valley Trust, a registered not for profit charity. The Trust provides educational activities for schools and boasts a wealth of events for visitors.

We have a wide range of volunteering opportunities currently available and invite you to come and work with us. We are keen to invest in our volunteers offering training opportunities and the chance to learn and develop new skills. Available places are governed by the Trust's resources to manage staff and volunteers in a safe and responsible manner and will mainly involve project based volunteer opportunities to begin with.

Applicants must be aged 18 years or above and certain roles will require a DBS check. Under 18 year olds can apply but this will be for specific event/project based volunteer opportunities.

This is an exciting time to volunteer with us as the site has investment from the Heritage Lottery fund.

If you are interested in joining us please complete the enclosed application form and return it to the email address or address above. Successful applicants will be contacted by Lorna Kernahan, Activity and Volunteer Co-ordinator and invited for an informal interview.

VOLUNTEER POSITIONS AVAILABLE

HISTORIC GARDENS ASSISTANT

If you enjoy gardening or would like to learn we are looking for help with developing and maintaining our new historic gardens. These gardens will be designed to reflect what it would be like in the Victorian and Tudor times.

HISTORIC MACHINERY ASSISTANT

Our steam driven bottling plant is a valuable piece of our industrial heritage and we are looking for help with its operation, cleaning and maintenance. Don't be put off if you have no experience we need people to help explain all about its fascinating history.

FAMILY ACTIVITY ASSISTANT

We are looking for volunteers to help develop and deliver a wide range of family activities including preparing resources, assisting with the delivery of activities and engaging with families.

VISITOR SUPPORT ASSISTANT

We are looking for volunteers to help us make the visitor experience excellent. This may include meeting and greeting visitors, help with gift aid, handing out leaflets, provide information around the site, and give directions.

SCHOOLS ASSISTANT

If you have experience of working with groups of children we are looking for assistance with sessions, including set up and tidy up after the session and to help small groups with different tasks and activities.

RESEARCH ASSISTANT

We are always trying to improve the Heritage Park & Museum and are looking for researchers to work with us to develop ideas for new projects.

GROUNDS MAINTENANCE ASSISTANT

There are lots of opportunities for those wishing to help with outdoor work including assisting with fencing and pathway maintenance, project work and keeping the park clean and tidy.
